

CHMM

Review Course

October 26,27,28

Whats It All About?

The Certified Hazardous Materials Manager (CHMM) review course has been developed to:

- ◆ Improve your understanding of hazardous materials
- ◆ Aid you in performing your job duties and responsibilities
- ◆ Assist in better preparing you for the certification examination.

The Review Course Can Help You Prepare By:

1. Providing a structured study format
2. Having you answer example questions in subject matter outside your area of expertise
3. Giving you access to qualified instructors who are CHMM

Topics Include:

- ◆ Chemistry of Hazardous Materials
- ◆ Radiation
- ◆ Industrial Toxicology
- ◆ Waste Treatment
- ◆ Waste Minimization
- ◆ Facility Audits
- ◆ Safety Overview
- ◆ Environmental Management Systems
- ◆ HAZMAT Transportation
- ◆ Many Others

The Course Will Be Held At:

JAS - 777 Joint Apprenticeship School
450 Murdock Ave.
Meriden, CT 06450

Remember!

Candidates for the exam must file an application with the Institute of Hazardous Materials Management (IHMM) at least six weeks prior to the exam date.

What are people saying?

"The instructors were very knowledgeable and interactive with students"

"Excellent overview of exam materials"

"Increased my knowledge and awareness of topics outside of my specialty areas"

"The information was well organized and presented in an effective manner"

The CHMM Review Course provides the environmental professional with the knowledge to comply with health, safety, & environmental guidelines.
