Safety, Health and Environmental Job Openings October 5, 2009)

Following is a list of some of the available job openings in the Environmental, Health and Safety area that I am working on. Should you know of anyone that might be interested in learning more about these positions please have them contact me, Paul Shrenker, directly or feel free to contact me yourself and I will give you more details. My phone number is 413-267-4271; email address pshrenker@comcast.net fax 413-726-9099. All searches and candidate conversations are held in strictest confidence and no resume will be mass distributed. Thanks for your help.

Safety and Health Manager (Charlotte, NC area) for this well established oil terminal maintenance and construction company. This company has been in business since the early 80's and services mostly clients in the Southeastern U.S. The client is looking for someone with 5+ years Construction Safety and Health experience out of the chemical and/or oil and gas industries. Most of the client's work involves piping and tanks. The candidate should have a BS degree in Safety or related and be able to do extensive traveling (approx. 60% overnite; 75% total) and live within 200 miles of the Charlotte, NC area.

Several positions that I can not post include: PSM Specialist, TX

Positions are added weekly. If you or someone you know would like to be informed of future job opportunities as they become available, please forward their name and email address to pshrenker@comcast.net. Additionally I usually have a few other openings that I can't "publish" so please give me a call or email me if interested.
