**Facilities Manager**

University of Connecticut  
Facilities Operations, Avery Point Campus

The University of Connecticut is seeking applications for a Facilities Manager to supervise and coordinate the activities of the Avery Point Facilities Operations staff responsible for the maintenance, renovation and operation of buildings, grounds and site utilities.

**Minimum Qualifications:** Bachelor's degree in an appropriate discipline or equivalent combination of education and experience, and a minimum of 10 years experience and demonstrated skills in managing facilities maintenance operations on a campus or similar environment, including five years in a supervisory role; sound knowledge of building trades; budgeting experience; computer proficiency with Microsoft Office Suite; excellent written and verbal communication and interpersonal skills; ability to work in a team based management environment, and demonstrated ability to work without supervision and resolve problems of both a technical and administrative nature.

**Preferred Qualifications:** A Master's degree is desirable as well as 10 years experience in an engineering discipline; experience in an union environment; a working knowledge of mechanical and electrical utilities; knowledge of regulations involving DEP, DPH, ADA and OSHA compliance; and computer proficiency with AutoCAD.

Salary range is \$78,000-\$84,000 and commensurate with background and experience.
